Measuring your Cart for a Replacement Front Cover

HOW TO MEASURE

1. **TECNI-QUIP Carts:** Required will be an outside measurement of the length and the overall height, from the floor to the top of the cart.
   - See measurement guide page 8 or Send us a photo of your cart via email of fax and our Cover Crew will assist you!
2. **OTHER CART or SHELVING BRANDS:** Please see front cover measurement guide on page 8, fill out the form and send to us via fax or e-mail.

You may covert Zipper Covers to Velcro or Vice Versa
- OR -
You many Convert any Cover to the "NEW" Pass-Thru Front Cover System

TRANSPARENT PASS-THRU FRONT COVER

Permits Easy Access to Linens and Meets Joint Commission Codes.

- Overlapping transparent strips are formed into a front panel style cover
- Permits cart's front cover to remain down at all times
- Inventory can be easily viewed, maintained and removed

Vinyl Front Panel Covers
for Tecni-Quip or any other brand of cart

DOUBLE COVER SYSTEM

Great for any transport situation in house or over the road.

- Solid Vinyl Panel with Zipper Closures is placed in front of the Pass-Thru Cover System Front.
- 2 cover system secures the linen load "inside the cart" during transport.
- When cart is in operation, the outer vinyl panel is positioned on to top of cart, revealing the clear pass through front cover.
